SPECIFICATIONS

Overview

The Strike 35 hull has a 56 degree entry and 23 degree dead rise which makes the Strike 35 a perfect offshore fishing boat that will handle rough sea conditions. The hull has prop pockets that provide a very shallow draft, which is excellent when maneuvering in shallow waters.

You will be impressed with the Strike 35 abilities when caught in sea condition and storms that they were not expected. In addition, its wide beam, cockpit size and propeller pockets provide for a stable fishing platform while drifting or sport fishing.

Whether off shore in the rough seas chasing the big ones or inside the reef in the shallows this is an all around boat perfect for the hard core fisherman as well as being a perfect and safe family boat.

The owner has moved up to a larger express sport-fisherman and wants this boat sold!

She is **Bahamas Duty Paid** and located here at Bradford Marine Bahamas in Freeport.

Hurry, she won't last long.
