DETAILED INFORMATION

Manufacturer Provided Description

The Cruisers 3470 Express comes available with two well-thought-out layouts and features smooth, precise handling in both stern drive and inboard power. Her interior accommodations, boasting six feet, five inches of headroom throughout, will sleep up to six comfortably. The forward stateroom features a double bed with easy access, and a privacy curtain - or an optional bulkhead and door - providing complete privacy. Aft, owners can select either a fixed double berth or an alternate layout with a convertible circular settee. With the settee layout, this area can effectively lengthen the salon into one wide open living space or, with the privacy curtain, it can serve as a comfortable midcabin. The facing dinette to starboard easily converts into another berth. To port of the companionway is a full-service galley with a large refrigerator / freezer, microwave, and double-burner electric stove. The 3470 also provides a spacious head with a large, separate shower stall and full standing headroom. Abovedecks, the generous cockpit seating arrangement is ideal for dockside or on-the-water entertaining. She features a wetbar, cockpit shower, and available cockpit refrigerator or ice maker. A custom-fitted enclosure will keep everyone protected from the hot sun or inclement weather.

Exclusions

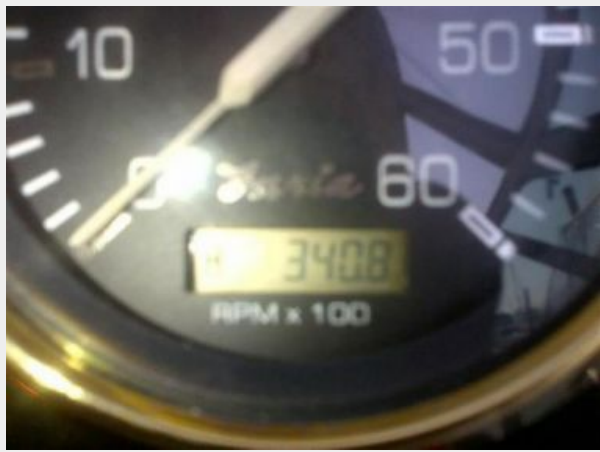

Owner's personal belongings.
