Overview

“Freak on a Leash” represents a rare opportunity to purchase a “like new” state of the art 70 Viking that is truly a One of a Kind without the wait. This boat is one of the fastest Vikings built with the performance package to date, and was the premier boat for their demo purposes. With her striking Stars and Stripes paint job and full teak package she is one of the best looking sportfish on the water. The boat has it all, speed, beauty, and great sea keeping abilities. The 2600 HP MTU engines have full warranty with 4 years remaining as well as having the Premiere Passport warranty package on the topsides. This boat can also be outfitted with a Sea Keeper gyro at the Viking Service Center. Don't miss your opportunity to purchase this boat without the wait and at a fraction of the replacement cost, as she will not last long!

DETAILED INFORMATION

Vessel Walkthrough

Entering the cockpit the first thing you notice is the beautiful teak work that has been done to the boat. She boasts a full teak deck, teak mezzanine, teak covering and combing boards, as well as a custom faux teak transom and toe rails. The cockpit is a fisherman's delight with two large in deck fish boxes, tackle center, refrigerated bait box, custom tuna tubes, and Release fighting chair with off set pedestal. The air conditioned mezzanine has storage under the seating and has a electric grill built in to the port. Entering the salon via the electric door the first thing that comes to your attention is the random pattern satin finished teak interior with high gloss on flat surfaces. There is a day head to port and a large l-shaped couch to starboard with birds eye maple and teak hi-low table. Just forward to starboard is the u shaped dinette with custom etched Channel glass above it. To port is the galley with three bar stools at the granite countertop and subzero refrigerators and freezers under the counter. Just forward of the galley is the a/v room that houses most of the boats electronics as well as rod and tackle storage area. Proceeding down the curved staircase you have the large crew stateroom to port with head and access door to the engine room. Going forward down the companionway to the port is the master stateroom with queen bed, large hanging closets, ample storage drawers built in, and en-suite head. To starboard in the companionway is the washer dryer and linen storage closet. Moving forward to port is the guest stateroom with over/under bunks, and en-suite head. All the way forward is the VIP with queen bed and en-suite head. The bridge is very well laid out and has a three captain's chair configuration, as well as seating to port and starboard , and a bench seat forward of the helm.

Broker's Remarks

This 70 Viking with the performance package is one of the most sought after boats in the Viking line and presents a rare opportunity to purchase her as the owner is going to a bigger Viking. With her incredible speed and sheer awesome profile its hard to find another boat on the water that can touch it. She is a proven tournament winner and has what it takes to get you there and back quickly and comfortably. Don't miss your chance to purchase this vessel as she won't last long!

Warranties
