SPECIFICATIONS

Overview

"Hot Seven" is a 2010 33' Aquariva that was delivered to its one and only owner in August of 2011. It has been kept in a covered storage facility since delivery with the exception of short day cruises.

"Hot Seven" has been professionally maintained by the owner's captain. She just received her 100 hour service from the local Yanmar dealer. Owner is looking to sell this to move into a larger Riva. This is a like-new boat offered at half the price of a new one.
