Overview

The 2005 Tiara 3600 Open, "For the Girls," has been kept very clean by her experienced owner! Equipped with low hour, twin Cummins QSB 5.9 liter 380hp diesel engines, this boat runs fast and efficient, making her ideal for fishing or cruising. The wide open cockpit offers up plenty of room for fighting big fish, while the transom livewell, in-deck fish box and four stainless steel rod holders provide big game fishing opportunities in blue water.

On the other hand, if cruising is your preference, "For the Girls" can accommodate that as well. Furnished with teak and holly sole and a well-equipped galley and salon, the beautiful interior includes a U-shaped settee and full helm-deck enclosure with A/C, providing comfort while cruising or entertaining at the dock. In addition, the swim platform also makes an ideal place for friends to board when they come over on their tenders to visit.

Tiara has become a brand recognized and respected around the world, and this beautiful 3600 Open represents why. "For the Girls" combines style, performance and that trademark Tiara good looks. She won't last long in today's hot boat market, so call and schedule your showing soon.
