The master stateroom is all the way forward with a queen island berth, hanging locker, drawer storage and built in TV. There is also a private entrance to the head. The guest stateroom is mid ships and to port with upper and lower berths and ample storage. The head which has two door access includes an enclosed shower, vacuflush toilet, sink and storage vanity.

Brokers comments

To Dive For is really a beautifully maintained and equipped 40' Luhrs! She has just had a new bridge enclosure installed, had the bottom painted and underwater lights installed. The batteries were just replaced and a new battery charger installed. Other recent additions include new A/C compressor just installed, new Garmin electronics added in 2013, new marine stereo system with satellite radio/weather, new windlass and Fortress anchor and the entire boat has just been waxed along with the Rupp outriggers. If you are in the market for a absolutely turn-key 40' convertible, don't miss this one!
