SPECIFICATIONS

Overview

This particular Sunseeker 53 Portofino is fully loaded and is in immaculate condition. Captain maintained and treated like a larger yacht; dual screen Northstar monitors at the helm along with FLIR Night Vision makes this Sunseeker a perfect day cruiser with the amenities of a much larger vessel. Three stateroom, two head layout in high gloss stained cherry and open floorplan, she sleeps six adults in three cabins. The master is forward with a queen berth and private head and shower. Her fixtures are very high quality Grohe style with glass bowl basins providing a very modern high tech look. Her guest cabins are amidship and share the second head, shower room. The port cabin has a double berth and door to the head, the starboard cabin has offset bunks with Washer/Dryer. All staterooms have flat panel TVs with satellite TV uplink. There are stereos installed throughout the entire boat.

The salon features leather settee and pull out stools providing comfortable dining for six adults. Her galley is fully equipped with Sunseekers trademark cutlery, dishware, and glassware, all housed in custom pegged cabinets.

The engine room is spacious for a yacht this size and the tender garage offers easy access and deployment of water toys.
