SPECIFICATIONS

Overview

Distinctively Dyna!.....Dyna Yachts is proud to announce the arrival of Dyna's brand new 60' Flybridge Motoryacht to South Florida. Marked by graceful curves this vessel's beautiful teak and glass European-styled interior features 360 degree window views that let in plenty of natural light. Enter the main salon through the aft deck's full sliding glass doors to wide open comfortable space displaying teak cabinetry, leather seating, and modern finishes. The open flybridge comfortably seats 10 where you can relax on large curved Sunbrella covered settees while entertaining from the wet bar with electric grill. The forward deck boasts three reclining Sunbrella covered sunpad loungers perfect for soaking up rays. Three cabins sleep 6 including an impressive VIP Suite with king sized bed, custom upholstery, separate sitting area and twin dressing tables. Each cabin has its own European styled head. Plus separate crew quarters for two that is equally well-appointed. This vessel arrives with many optional upgrades already installed including twin Cummins QSM11 715hp engines, Kohler 17kw/60hz generator, upgraded Nav System, Entertainment package, hydraulic swim platform, and Seavision LED Underwater Lights. This well-built, beautifully appointed vessel represents great value for the price and won't last long.
