Remarks

The No Vacancy was custom built for a long time Viking owner, this being his third. She is outfitted with a state-of-the-art AME electronics package, Palm Beach Towers tuna tower, Seekeeper 26000 gyro stabilizer system and MTU M94:2600HP engines. She is loaded with nearly every upgrade or option available including a 6 stateroom layout. For peace of mind, she is covered completely with a transferable warranty from Viking including all machinery and equipment.

Her upgraded MTU M94 engines have averaged an incredibly low 14 gallons per hour of operation since delivery, making it a total fuel burn of 28 gallons per hours. No Vacancy is fresh out of the Viking Service Center and turnkey in all respects.

Exclusions

Tender not included with the sale.

Exclusions

Owner's personal belongings.
