SPECIFICATIONS

Overview

Nearing completion and now actively for sale is the 127m Privilege One superyacht. This high volume, ten-deck yacht is built to Lloyd's compliance and is SOLAS certified for up to 36 passengers. Privilege One is uniquely outfitted with a diesel/electric azipod propulsion system that is estimated to propel her to a smooth 18-knot cruise and 22.5-knot sprinting speed. Certified RINA Green Star, Privilege One also

boasts a reinforced 1C ice-classed hull and has been designed from concept through construction to be a true go-anywhere yacht.

Privilege One features twin helipads – one that folds into the bow and another, a touch-and-go, which can be privately accessed from the owners' quarters – and will also carry a submarine, also with private owner access. The yacht features three beach clubs and three pools, which can be filled with water of any temperature in less than three minutes. A massive tender garage is designed to carry her 12 tenders and dayboats, 6 Jet Ski watercraft, and four full size land vehicles. The yacht has been designed from stem to stern to be outfitted with the best in security technology, and features armored secure areas and security systems throughout.

Unique features abound in her interior, which includes a never-before-seen dining area positioned within the bulbous bow for undersea dining. Nine elevators service her nine decks and a patented gyroscopic platforms keep all beds and many interior rooms such as the library, dining areas and red wine cellar completely level at all times. The 700sqm owners apartment features two gymnasiums, a 200sqm veranda, private swimming pool, spa and a private dining room, while the 550sqm VIP and 12 guest suites each feature a sauna, Turkish bath, tea corners and private living rooms.

Privilege One is available for immediate purchase
