SPECIFICATIONS

Overview

The interior of the vessel is one of the most elegant and serene compared to any other vessel of its size thanks to the hand crafted wood finished details of a Hatteras. All the interior spaces of the vessel are equipped with electronic climate control systems, which can be independently adjusted from the different cabins. Illumination may be independently dimmed at the different cabins for the perfect ambience and entertainment center volume controls are located at different rooms for the perfect setting. Most living spaces are equipped with a 120 Volt, 60 Hz (110 AC) receptacle.

RECENTLY REDUCED TO \$299,000, OWNER VERY MOTIVATED

Exterior

From the aft deck, guests have access to the interior Main Salon, forward deck, the helm bridge and the aft cockpit. Forward and top decks provide ample spaces to relax for a breath taking experience under the sun or the stars.

At the very aft of the vessel, is the Open Cockpit. This space provides the guest the opportunity to access the swim platform with ease, and have access to the BBQ area. It is an ideal area to fish from, or to prepare the different water sport equipment like the Donut Tender Ride, water ski, body board, snorkeling or inflatable floating sunbath mats. It is also the ideal nightspot to see the sometimes, “aquarium like” view at night. This cockpit area is also equipped with a cold/hot water hand shower.
