ХАРАКТЕРИСТИКИ

Обзор

This 36 Sedan Bridge is very well kept. **Only 152 HOURS** (*at time of listing*) **SMART CRAFT CONTROLS, BOW THRUSTER, AUTO PILOT** are just some of her distinguishing features. Everything about this beauty is designed with extended voyages in mind, including its outstanding ride and sea-keeping abilities, open and airy cabin, and two well-appointed staterooms. While the captain takes command at the helm, guests will enjoy breathtaking views from the generous bridge seating. In comfort as well as style, the 36 Sedan Bridge will accommodate those long voyages and back or bay cruising in style and comfort!

Powered by twin Mercruiser 8.1L 370 hp gas inboards with smartcraft controls,, AC/heat system, Raymarine E120 GPS/sounder/radar, Raymarine ST 8002 autopilot, VHF radio, Sirius weather receiver, spotlight, cockpit icemaker, cockpit folding seat, generator, stereo system, cockpit carpets, (3) TV's, anchor windlass, and more. Equipped with the customary marine electronics and an ergonomically designed helm with visibility from the helm being excellent both forward and aft. Providing the classic and timeless appearance that Sea Rays are known for with its forward leaning fiberglass arch and hard top with clean style lines running from the bow to the trailing end of the swim deck. Forward access to the bow is provided via wide port and starboard walk ways with good hand holds all the way forward. Deck hardware is substantial both in quality and quantity being strategically located for ease of securing the vessel in docking and anchoring. The diamond cut pattern deck non-skid is throughout and offers sure footing and ease of maintenance. The Bridge offers dual adjustable bucket type helm seats with an L-shaped lounge with table aft. The cockpit has room for fishing and includes a fold away aft transom seat. The transom door is positioned on the port side for access to the swim platform with an integrated pull out and down swim boarding ladder and hot and cold transom shower. The interior layout offers two facing sofas on the port and starboard sides as you enter the salon from the cockpit. There is a convertible dinette seating/berth area forward to starboard with removable table. The galley is down on the port side with a dual entrance fully enclosed toilet compartment just forward. The separate shower compartment is across to starboard. The master is a full pedestal berth forward and the VIP dual bunk cabin is to Starboard.

- Bottom Paint
- Bow Rail
- 8 Thru-Bolted Cleats
- Deck Fill Plates

- Handrails
- Deck Vent Hatch
- Navigation Lights
- Portlights
- PVC Rub Rail
- Transom Wall Storage
- Integral Swim Platform
- Toe Rail
- Engine Room Vent System

Electrical

The high-tech lighting system features all light switches are on dimmers. Interior switches are controlled by touch controls. They "fade" on or off, allowing you to customize lighting to your needs. Or, simply press a "Scene Preset" on the master touchscreen control panel, and the ENTIRE interior or exterior fades to pre-set mood lighting...cocktail party or night lighting. Very slick!

The Sea Ray 36 also features a state-of-the-art electronic power distribution system with a touch-screen 10" control monitor.

The 7.3 KW Kohler genset has only 320 hours. It is double insulated, with it's own sound shield, plus the engine room insulation, for ultra-quiet operation. It has ample 110V power when needed.

- Battery charger
- Galvanic isolators
- 12V lighting
- Kohler 7.3KW genset
- Dual 30 amp 110V shorepower connections
- Touch-pad wall swiches
- 10" touch-screen power monitor
