REMARKS

Launched in 2003, NAMOH is the perfect balance between opulent luxury and comfortable cruising. The open, spacious interior living areas are highly versatile, easily used for both intimate family gatherings or larger parties. On the upper deck, the wheelhouse offers guests the chance to relax and watch the horizon from a C-shaped settee. Aft, the skylounge and the aft deck—which features a Jacuzzi—create an inviting space for games or refreshments in the evening. The designers also made excellent use of the exterior spaces, maximizing the seating areas on the main and upper aft decks, adding sunpads forward on the main deck and providing ample lounging space on the panoramic sun deck. Of the five staterooms on board, four are on the lower deck while the full-beam master suite is forward on the main deck.

Exclusions

Owner's personal belongings.
