## Overview

---

One of a kind express cruiser with a beautiful burled maple interior; built to ship standards including a collision bulkhead. WAR BIRD IV was built for the owner of Heesen Yachts who meticulously maintained her with an open checkbook. Oil change & oil analysis records are available as well as all Heesen original documentation. This fresh water kept yacht is very clean and ready to go. The boat went through a complete refit in 2008 in which well over \$300,000.00 was spent to upgrade her condition. Her engine room was completely serviced and awl gripped, as well as a complete service done on the engines.

The boat has been kept in fresh water since the refit and is in mint condition.

**PRICE REDUCED!**

## Basic Information

---

## DETAILED INFORMATION

---

### Salon

---

The salon is located below deck amidship and features a U-shaped carmel leather settee to starboard with a built-in cabinet in the center. The cabinet contains a JVC KSFX11 AM/FM cassette stereo and two storage cuddies. The salon has a teak and holly sole and a Pullman berth.

The bulkhead outboard above the settee folds down to make an extra berth for a fifth person when needed. A curtain can be installed to give extra privacy.

The port side has a mirror image dinette minus the cabinet which gives extra seating. A folding wood pedestal table allows dining for up to 6. A mirrored bulkhead is in back of the dinette with a cabinet containing: plasma TV, X-box gaming system w/wireless remotes, DVD and JVC 12 disc CD changer linked to the stereo to starboard. The bases of the P & S settees are mirrored and accented with rope lighting. The AC and DC electric panels are just aft, enclosed with a tinted glass door.

Opening Gebo deck hatches w/screens provide natural light and ventilation while 8 DC overhead mini spots and digital MarineAir Hydronics A/C controls guarantee interior comfort.

### Master Stateroom

---

- Master is forward
- Centerline queen berth with drawer storage below
- Rope lighting
- Storage cabinets w/rope lighting (P & S)
- Reading lights (P & S)
- Port storage locker
- Starboard hanging locker

- 250' Galvanized anchor chain, New
- Custom machined anchor retention system
- Gas assist anchor locker hatch
- International navigation lights

---

## Electrical Equipment

---

- 110/220v 60 cycle AC electrical system
- 12/24v DC electrical system
- 17kW Lugger generator
- Sentry battery charger - 40 amp
- 3 x Battery switches
- 5 x 12v batteries
- P & S Shore power inlet & cables
- Isolation transformer
- Generator voltage meter
- Shore power voltage meter
- AC amp voltage meter
- 24v CD voltage meter
- Frequency meter
- Capac System corrosion monitor

---

## Electronics and Navigational Equipment

---

- Raymarine autopilot
- Raymarine 24 mi. radar
- Raymarine Tri-data
- Raymarine ST60
- Icom M-125 VHF radio
- 5" Plath magnetic compass
- VDO Logic digital/analog depth sounder
- Raymarine 120 GPS plotter
- VDO rudder position indicator
- Raymarine radar
- Engine synchronizer

---

## Engine and Mechanical

---

- 24,000 btu MarineAir chilled water A/C system-reverse cycle
- Vetus bow thruster
- Morse clutch & throttle controls
- Automatic Halon fire control system
- Six blade propellers by Rolla
- 3 x Vetus raw water sea strainers
- Hydraulic wheel steering w/power assist, 2 pumps
- Glendinning engine synchronizers
- ZF 1.5 to 1 transmission ratio
- Bennett trim tabs w/large K planes
- 40 gal. water heater
- Engine room sound insulation
- Racor fuel filter for generator
- 3 x MarineAir evaporators
- Arneson surface drives - Model ASD12B15
- Dual Racor 1000 DD 1959 fuel filters w/vacuum gauges for each engine
- MTU full engine room gauges
- Fuel tank sight gauge
- AC fluorescent & DC incandescent engine room tlights
- 2 x Electric bilge pumps
- Hand operated bilge pump
- Main engine emergency bilge pumps
- Hydraulic engine room hatch
- CSI alarm system monitor for grey water, black water & fuel tanks
- CSI alarm system monitor for high water bilge alarms
- 2 x Hand operated oil change pumps
- 24v Fresh water pump w/accumulator tank
- 35 gal. Polyethylene black water & gray water sump tanks
- Engine room axial fans
- Oil change system electric pump with manifold for all engines, transmission & generator

---

## Construction

---

WAR BIRD IV is constructed entirely of 5083/H116 high grade aluminum plating and 6060 or 6082 extrusions plating - thickness varies from 8mm on the bottom to 4mm on the decks.

---

## 2008/2009 Refit

---
