SPECIFICATIONS

Overview

Bank owned very recently, always maintained by full time crew, this Pershing 2007 (not a 2008 as many other brokers will advertise) is in excellent condition. Low hours on engines and availability to reach 44 knots full speed with Arneson Drive this Pershing 90 is a great buy to make in a European distress sale. Comparatives in USA are in the 4M\$ range. We will help to handle electrical conversion, shipping and registrations as well as duty free exportation and still make this purchase a very savvy decision. Contact us anytime to receive more informations.
