Overview

Step on board and the cockpit, teak-panelled like all the exterior flooring, immediately reveals the attention devoted to maximising space for social interaction - a large rectangular table in teak, a fixed bench and three armchairs can accommodate up to eight guests. The interiors, as elsewhere, are in teak, and the walls are entirely panelled in boiserie, with light coloured fabric for the upper sections. The salon is flooded with light from the two large rectangular windows, and includes a living area intended for total relaxation.
