## Overview

---

This stunning 2010 64' Cranchi HT is one of the largest cruiser style yachts in Cranchi's line. With twin MAN V-12's putting out 2800 HP, the Sixty Four HT can get up to a top speed of 34 knots with a cruising speed of 28-30 knots. The engines have low hours and are up to date with all maintenance. The yacht comes with all electronics offered, including the Raymarine G-series, Naviop yacht control and FLIR.

This Sixty Four HT had an interior refit of the salon done in June 2012. The yacht is set up with a high end lounge feel. Large open settees on both the port and starboard side allow guests to relax and enjoy sunlight coming from the retractable roof. The exterior has been reupholstered in a white majilite, with two new side benches that brighten the yacht. Fully open, the yacht offers abundant outdoor space and plenty of room to host a large party. The yacht also comes with a 2011 Yamaha VXS 3 person wave runner.

This spacious yacht offers a 3 stateroom, 3 head plus crew layout.
