SPECIFICATIONS

Overview

This is it! Sea Ray has done it again with the 400 Sedan Bridge. Three staterooms, two heads and an enormous flybridge capable of seating 8 people make the 400 Sedan Bridge the most accommodating vessel in the 40-foot size range. All with European styling and design one expects of Sea Ray. "Freedom" has a freshwater history and was brought to Florida from Michigan September of 2004. Low hour Caterpillar diesels and a complete electronics package add to her practicality and economy. "Freedom" represents an excellent value for anyone considering a low hour, three stateroom, diesel powerboat in the 40 foot range. Make an appointment to see her today.

Basic Information

Category: Motor Yacht

Sub Category: Flybridge

Model Year: 1999

Year Built: 1999

Country: United States

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 40' 0" (12.19m)

LOD: 41' 6" (12.65m)

Min Draft: 3' 4" (1.02m)

Speed, Capacities and Weight

Cruise Speed: 23 Kts. (26 MPH)

Max Speed: 27 Kts. (31 MPH)

Displacement: 22000 Pounds

Water Capacity: 120 Gallons

DETAILED INFORMATION

Overview

This is it! Sea Ray has done it again with the 400 Sedan Bridge. Three staterooms, two heads and an enormous flybridge capable of seating 8 people make the 400 Sedan Bridge the most accommodating vessel in the 40-foot size range. All with European styling and design one expects of Sea Ray. "Freedom" has a freshwater history and was brought to Florida from Michigan September of 2004. Low hour Caterpillar diesels and a complete electronics package add to her practicality and economy. "Freedom" represents an excellent value for anyone considering a low hour, three stateroom, diesel powerboat in the 40 foot range. Make an appointment to see her today.

Accommodations

Entering the salon from the cockpit one enters a bright, airy salon with an electronic, convertible settee to port and a comfortable, functional galley to starboard. Moving forward and to port, one finds a large dinette capable of seating six comfortably. The entertainment center is situated in view of the dinette, galley and convertible settee. Moving forward and down three steps, the guest staterooms are situated to port and starboard. The guest stateroom to starboard includes over/under single berths with the upper berth in a Pullman configuration. To port, the guest stateroom includes a double berths with a filler cushion that converts to queen berth. The guest head is situated to port and includes shower, vacuflush system, and vanity. Moving forward to the master stateroom, one finds a queen, island berth, lots of hanging locker space and stowage. The master head is situated to port and includes stand up shower stall, vacuflush system, and vanity. The flowing layout of the salon where the galley, dinette, and settee are on a single level allows for the interaction of all owners and guests and is surprisingly roomy relative to other European styled sedans of this size. Additionally, the layout of her flybridge is also accommodating allowing as many as eight owners and guest to sit comfortably. The flybridge door leading to the cockpit provides a very quiet ride from the flybridge.

Galley

Cherry cabinetry accents the very functional galley which includes solid surface countertops, refrigerator/freezer, three-burner flat surface stove, coffee maker, microwave oven, Nutone blender, and hideaway trash receptacle. The "L" shaped galley is situated to port as one enters the salon. This galley-up arrangement allows for interaction between those preparing meals and guests.

Electronics

Freedom features Ray Marine electronics suite including the following:

- RayNav 398 GPS
- Raytheon R41XX Radar
- RayMarine 210 VHF
- RayData Speed/Depth/Temp
- RayChart 601XX
- Chart Plotter (Currently INOP)
- RayPilot Auto Pilot
- Remote Spotlight

Electrical

She includes an 8.0 KW Westerbeke Genset with only 452 hours. This provides her with plenty of power to run her systems while underway and on the hook.

- Dual 30Amp 120v/60 cycle Shore Power
- 120 V/ 40 Amp/ 12V Converter
- TV/Phone Dockside Service
- Battery Charger
- Battery Parallel
- Five (5) batteries

Deck/Flybridge

The 400 Sedan provides wide side decks relative to other euro-styled, forty-foot boats. Ground tackle is cleverly stowed and storage in the cockpit and decks is more than ample. Her bridge is enormous including three custom helm seats with a centerline helm, and a sun lounge capable of seating five adults. Visibility from the helm is excellent and the full enclosure protects flybridge occupants from the elements.

Engine Area

Freedom is powered by Caterpillar 3116 Diesel engine producing 340 HP each. Her engine room is well laid out providing ample access to mechanical components. Access is provided through the cockpit, keeping maintenance gear and crew out of the interior.

- Caterpillar 3116 Diesels 340 HP
- P-610 Hours/S-611 Hours
- Oil Change System

- Fire Suppression System
- Engine Alarms
- Underwater Exhaust
- Hydraulic Steering System

Exclusions

Owner's Personal Items

Exclusions

Owner's personal belongings.
