---

## Manufacturers Description

---

The Maxum 4600 SCB has an aerodynamic design that eases this graceful craft onto a plane quickly and smoothly. Superb tracking and a smooth, stable ride result in easy handling, comfort, and safety. The command bridge station features a double-wide adjustable helm seat plus 360-degree visibility for precision dockside handling. A fully functional entertainment center is conveniently located on the bridge and features a molded-in sink and faucet. The L-shaped lounge provides comfortable space for guests, with stowage under. The interior has abundant headroom, elegant detailing, and rich textures. There's Berber carpeting, Corian surfaces, and Ultraleather coverings. Muted colors and rich woods are accented with strategic lighting, and soft curves echo the sleek design of the exterior. The midcabin provides twin-size berths, a 110-volt outlet, and an illuminated cedar-lined closet
