## Overview

---

Perhaps the Grand Banks 46 Europa is one of the most elegant and well-thought-out Europa styles ever conceived and built. The quality, space utilization and systems accessibility are remarkable in a family cruiser. Her primarily single-level living from cockpit to galley, watermaker, desirable Yanmar engines and extensive equipment list make BOHEMIA a joy to cruise. She is strikingly beautiful and is the epitome in Grand Banks design and detail. BOHEMIA is now available from her second owner in excellent condition, turn-key in every dimension and detail and ready to cruise with confidence. This is one exceptional Grand Banks 46 Europa! Maintained without reservation and used primarily as a day boat with little live-aboard time. DUTY PAID.

Maintained without reservation and used primarily as a day boat with little live-aboard time.

## Specifications

---

### ACCOMMODATIONS

#### Master Stateroom

The forward master stateroom has an island queen. The cabin is custom designed, creating an uncommonly large master cabin floor plan. All of the vessel's joinery, cabin sides and ceiling are teak varnished in a gloss finish. To port is the master head, with a separate stall shower to starboard. To starboard, flanking the island queen berth, is a bureau and locker, followed by an immense his-and-hers hanging closet. Under the owner's berth are two sets of drawers, two deep. To port is a four-drawer bureau and locker.

#### Guest Stateroom

The guest double cabin is to port. There are two single berths with a center hanging locker and generous drawer storage under the berths. Guest head is to starboard with a stall shower shared with the owner's cabin forward.

#### Galley

The galley is located forward and to port in the saloon/wheelhouse. Forward are three top-loading cabinets for flatware, dishes etc. There are overhead cabinets aft with counter over a Norcold refrigerator/freezer below. A glass-fronted storage cabinet also contains glassware. Facing outboard in the galley is a large, single Corian sink alongside the covered gas stovetop with convection/microwave oven and pot and pan storage below. A large dry locker is accessed from the counter aft of the sink. All counters are Corian.

All galley appliances, Norcold refrigerator/freezer, Seaward gas stovetop, and icemaker are new, replaced 1/15.

A second Norcold refrigerator and freezer are located in the amidships lazarette.

### **Lower Steering Station**

To starboard is the lower helm station, including bench helm seat with three drawers under. Outboard is the starboard helm door. BOHEMIA has the new-style Grand Banks display pod for gauges and equipment at the lower station, all of which is beautifully finished with gloss varnish.

Throughout BOHEMIA's elegant interior inspired touches are found, such as navy blue Ultrasuede upholstery, select high end fabrics, gloss varnished teak joinery and stainless steel opening ports.

To starboard and aft of the helm seat is a top-accessible bar with glass and bottle storage and ULINE icemaker (1/15) below. To port and aft of the galley is an L-shaped settee and a varnished teak drop leaf hi-lo table. Across to starboard is the entertainment center with swivel chairs to either side. Each chair has storage space underneath. Both the settee and swivel chairs are upholstered in Ultrasuede.

### **Fly Bridge**

The upper steering station on BOHEMIA is again custom designed. Her helm is on centerline with his-and-hers Pompanette chairs. Gauges and equipment are nicely housed in the latest Grand Banks-designed display module. Behind the bridge are L-Shaped settees port and starboard running fore and aft with a teak cocktail table between. Aft at bridge level and above the cockpit is dinghy storage served by a dedicated crane. The flybridge has a full bimini and a mast for radar and antennae. Storage is found under the flybridge helm station and under all settees, as is the propane gas locker.

- Raytheon RL80C 10" color radar chartplotter
- Raytheon RC631 10" repeater at lower helm
- Raystar 120 WAAS GPS (2)
- Raymarine ST290 multi-function display
