DETAILED INFORMATION

Vessel Walkthrough

Entering the massive salon you will find instant gratification. Wrapped in rich hand rubbed teak woodwork and lavish decor, you will think you have gone to heaven. Immediately to port is the beautiful day head, across to starboard is the L-shaped Corinthian leather sofa with storage below. In front of the sofa there is a custom coffee table, which rises for dining and has two foldout leaves with great storage below. Across to port houses two occasional chairs with a custom air actuated bar that slides out at the push of a button. Moving forward and up two steps to starboard is the oversized dinette area with its own entertainment center. Over to port is the spectacular gourmet galley featuring six Sub-Zero drawers, a Miele coffee station, four-burner Miele stove with a Miele microwave below. The counter space is tremendous with incredible storage. This area also features a dedicated counter top spot for three bar stools for cocktails. Moving forward to starboard houses the electrical room that is very organized and well planned. All transfers and selector switches are on one panel. This area is also air-conditioned. Across to port is the pantry room with great storage, a wine chiller, and the audio visual equipment. Moving forward down a six-step staircase is the companionway. To starboard is the guest stateroom with an oversized single berth accompanied by an upper Pullman berth, fantastic storage and its own full head. A custom air actuated tackle locker is located below the bottom berth. Across to port is the VIP stateroom with a full walk-around queen berth with air-actuated lift for storage below. This stateroom is accented in beautiful teak, has exceptional storage and its own private full head and shower. The master stateroom is all the way forward and features a full walk-around king berth with huge storage below, a custom hidden gun locker and a regular safe. Across from the king berth is the custom leather sofa with storage below. Above the sofa is a two-way mirrored flatscreen TV with a custom locker for rod storage behind. This master stateroom is off the charts. Beautiful teak with lavish hand picked decor, fills this room with class and charm. Located in the forepeak is the full head and enormous shower. Moving back behind the stairway you will find crew quarters. The captain's room is to starboard with an oversized berth below and a Pullman if needed. This area has great storage and monitoring devices for on-board viewing. Moving to port is the crew room with over/under berths that are very generous in size and great storage. The full head and shower is shared between both rooms with a very functional layout.
