SPECIFICATIONS

Overview

The PDQ Capella LRC was the ultimate refinement of over 11 years of production of these quality cruising catamarans. Built with Canadian craftsmanship in Whitby, Ontario, the Capella LRC was designed as a true bluewater catamaran with twin Yanmar diesels, increased tankage, a beefed up rig, and a solid hardtop.

The owners of Sea Souls have completed the package by outfitting her with all the equipment necessary for safe, comfortable, self-sufficient ocean passagemaking, including wind, solar and hydro power generators; full electronics; life raft, sat phone, and EPIRB; 12k BTU air conditioner and diesel heater; fully enclosed cockpit; Raymarine autopilot and Cape Horn wind vane (*that's right, a windvane on a cat!*)

Sea Souls has a fresh bottom job, saildrives and thru-hulls serviced, and topsides buffed and waxed.

She has been expertly maintained and is in turnkey condition.

If you are in the market for a quality cruising cat under 200k, before you "settle" for a beat up, poorly equipped ex charter cat, you owe it to yourself to see Sea Souls. Your cruising dreams can come true, PDQ!

Basic Information

Category: Catamaran

Model Year: 1998

Year Built: 1998

Country: United States
