SPECIFICATIONS

Overview

Designed by Phillipe Harle, PASSE PARTOUT has a centerboard amidship and daggerboard aft, ahead of the rudder, and so can be adjusted for exceptional balance on all points of sail. Her beam is sufficient for the galley, saloon and a separate walk-through passage amidships. The complete structure is heavily reinforced, and includes integral fuel & water tanks, ballast and all non-mechanical deck fittings that can reasonably be fabricated in aluminium. She is best suited to blue water cruising.

Basic Information

Category: Sloop

Model Year: 2004

Year Built: 1987

Country: Greece

Dimensions

LOA: 44' 4" (13.50m)

Beam: 14' 4" (4.35m)
