# DETAILED INFORMATION

---

## Walkthrough

---

Boarding 50/50 is either from the integral swim platform and up two steps via a hinged gate or from the port or starboard gunwales.

There is a Lower and Upper level nonskid Cockpit with the helm to starboard on the upper level.

A centerline sliding door leads to the Salon below with Galley to port.

Forward is the Master Cabin with an island queen size berth and a private head and shower.

Aft are twin beds that can slide together to form a double berth and a private head/shower.

## Salon

---

Entering from the upper Cockpit via a sliding door is the Salon area down four teak and holly steps.

Immediately to starboard is a large C shaped Ultra Leather/suede settee with storage below and a twin pedestal teak/burlwood high gloss table in front. There are cushions and shorter table bases to allow the Salon table to convert to sleep two.

There is a shelf outboard of the settee for storage. Twin opening stainless steel portholes offer ventilation. A small swing arm chrome reading lamp is forward and aft in the corners. Overhead are two stereo speakers, ten halogen mini spots and a small opening deck hatch with an Ocean Air sliding screen and shades.

Aft of the settee is the main AC and DC distribution breakers, the Salon and Cockpit digital AC controllers and a tank level indicator for the head and freshwater systems.

Inboard is a built in Majestic 26" LCD TV. Below in a cabinet is a Bose Lifestyle 18 AM/FM/CD/DVD player. Also the DC system analog volt and amp meters and the generator start/stop controls are in this area.

Below are the AC system dual analog volt and amp meters and shore power/generator selector switches.

Also in the Salon is a teak and holly sole, step lights at the entry steps, a smoke and CO detector and headroom of 6'6".

## Galley

---

The Galley is open to the Salon and directly to port. It is C shaped and contains the following equipment:

Teak & holly sole Corian countertops Double under mount stainless steel sinks w/ Corian covers Kenyon two burner electric cook top under Corian cover (6) Under counter halogen mini spots Sharp Grill/2 Convection microwave behind hinge up teak door Dometic 12/110 volt refrigerator/freezer w/teak front panels Two door corner cabinet (2) Teak drawers (9) Teak cabinets Opening stainless steel porthole Single lever Moen faucet w/removable spray head Stainless steel sea rail for small item storage (5) Additional halogen mini spots Headroom 6'6"

---

## Master Cabin

---

All the way forward through a hinged teak door is the Master Cabin. The sole is contiguous teak and holly. The berth is a centerline tapered queen berth with two teak drawers below facing aft.

The berth is hinged to access additional storage forward of the drawers.

The headboard is upholstered has a small mirrored panel and is flanked by two small chrome reading lights. A small shelf at each corner doubles as a nightstand.

Rope lighting above a teak valance outlines the cabin. Above the berth is a Bomar deck hatch with an Ocean Air sliding screen and shade. To both port and starboard raised steps give easy access to the berth.

To starboard are three teak cabinets at the upper level of the cabin. To port are two with the forward one concealing a Fahrenheit 12 volt DVD player.

On the aft bulkhead to port is a 15" Majestic LCD TV followed by the head access door.

To starboard is a twin door cedar lined hanging locker with five shelves and a surprising amount of storage within.

Also in this cabin are four overhead halogen mini spots, digital AC controls, a smoke and CO detector and a hatch in the sole below for equipment access and storage.

The headroom is 6'3".

---

## Master Head

---

Aft to port from the Master Cabin is a private Head. Entrance is via a hinged door. There is a teak vanity with a storage cabinet below a Corian counter top above and a glass vessel type sink with a bulkhead type faucet. Two mirrors above are hinged to form a large medicine cabinet.

The toilet is a Vacuflush model. The stall shower has a Plexiglass hinged door, a light, a small Maxwell deck hatch with an Ocean Air screen and shade, a wall mountable or handheld shower fixture, a seat and an opening stainless steel porthole.

The sole is Corian and there are four halogen mini spots above.

Also in the Head is an AC cool air vent and an exhaust fan.

---

## Guest Stateroom

---

Aft and two steps down from the Galley is the Guest Cabin created in the space afforded by the aft engine/IPS drive system.

The sole is teak and holly. Twin berths are arranged off the starboard hull side. There is a small shelf between as a nightstand. Padded bolsters surround the berth. The two beds slide together to form a double berth as needed.

The headboard is padded vinyl with a mirror section above that is flanked by two swing arm reading lamps.

At the foot of the forward berth is a two door storage cabinet. At the foot of the aft berth is a half height cedar lined auto lit hanging locker. The 15" Majestic LCD TV and a Fahrenheit 12 volt DVD player are in a corner cabinet at the foot of the aft berth.

All the way to port is an open vanity with open storage and two cabinet doors below with a Corian countertop and a clear glass vessel sink above with a bulkhead mount chrome faucet.

Above are three mirrored door cabinets as medicine cabinets and additional storage.

The head/shower is aft and has a teak door, a raised Vacuflush toilet with a hinged seat, a light, a shelf and a wall mountable or handheld shower fixture. There is also an AC vent within the head/shower.

Also within the Guest Suite is an emergency escape hatch overhead between the berths, rope lighting, a smoke and CO detector and digital AC controls.
