Model: 4JH4TE

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

The Catalina Morgan 440 Deck Salon cruisers comes with a 2 stateroom, 2 head and a unique Storage Compartment that can be accessed from the Cockpit or from the aft cabin.

All the way forward is the **master stateroom** featuring a centerline queen with inner spring mattress and plenty of storage underneath. Teak shelves line the hull and there is a cedar lined hanging locker and drawers. There is also a vanity with seat and a private entrance to the head. The **master head** features a separate shower stall with folding tempered glass door, electric head, stainless steel sink. The raised **main salon** has a very light and airy feel to it thanks to the deck salon configuration. To starboard is a U-shaped salon dining table with seating for six. The teak table can fold up into a smaller size when not in use and dropped to make another berth. There is ample storage behind and underneath the cushions. To port is a unique sofa arrangement that converts into two recliners. The upholstery is Brisa Ultraleather in a cream color and the floor a composite teak and holly. Built into the headliner there is a 17' fold down flat panel TV with remote DVD and marine antenna. Aft of the recliners is the **navigation station** with opening chart table and sliding chair. The spacious **Galley** is opposite the nav station and features ample counter space, storage, double sinks, and a refrigerator and separate freezer. The sole of the main salon has been raised to allow the essential machinery of the 75 hp Yanmar diesel engine and the Fischer Panda 8kw generator to be kept low thus aiding the center of gravity. The **guest head** is just aft of the nav station and features an electric toilet, vanity, mirror, stainless steel sink and plenty of storage. The head can be entered from the main salon or from the aft stateroom. The **aft stateroom** features a large double bed with inner spring mattress, shelves and a hanging locker. To starboard is a **workroom/storage area** that opens to the cockpit. There is room for an optional washer/dryer in a pre-built cabinet, handy shelving runs aft to a large storage area around the quadrant.
