SPECIFICATIONS

Overview

A high quality construction, offshore fishing machine with triple 300hp Four-stroke Suzuki motors which have recently had a complete and thorough service/update period. Sea Hunter boats are made in Homestead, FL and are very highly regarded for outstanding ride and fishing function. Here is a pure fishing vehicle that is ready to go for the next lucky owner. This seller would like to slightly downsize and will favorably consider trades of similar quality center-consoles in the 26'-29' range.
