## Hull and Deck Information

---

**Hull Material:** Fiberglass

## Engine Information

---

**Engines:** 1

**Manufacturer:** Yanmar

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Accommodations

---

An entertainment-sized salon is center to her lavish interior and is flanked by two private staterooms. The full service galley boasts genuine Corian countertops with custom teak fiddling, a double-bowl stainless sink, two-burner LPG stove, and even a microwave as standard equipment. It's even complete down to the dinnerware! Further aft to port, a separate head and shower await you with comfort and spaciousness. Would you believe six and a half foot of headroom? Lastly, the master stateroom is full-beam and features a queen-size athwartships berth and plenty of storage in cedar-lined hanging lockers. This interior rivals that of much larger boats and is finished to the level of semi-custom yachts. Privacy, storage and comfort your friends may never want to leave! Abundant natural light and good ventilation in the forward stateroom will please everyone. An innovative slatted opening in the bulkhead allows for a more roomy feel when the guests are gone. The hanging lockers are cedar-lined, and standard reading lights make devouring that novel a breeze.

## Galley Features
