SPECIFICATIONS

Overview

(LOCATION: Clearwater FL) The Sea Ray 390 Express is a full-bodied family cruiser with spacious interior and huge cockpit. The 390 Express is a design that works as well today as it did when introduced over twenty years ago. There is more than enough room inside and out for day trips and vacation cruises.

The big open cockpit features room for everyone with double-wide helm and companion seats forward, rear facing lounge seating, and transom bench seat. There's room for fishing, water sports, and sunbathing in the huge cockpit and considering the size probably everything at one time. The transom door allows easy access to the swim platform. The bimini tops offer shade when needed.

When you step below there is an condo sized galley to your right and a large wraparound dinette to your left. The galley features a refrigerator with freezer, a 3 electric range, microwave oven, and large countertop with stainless steel double sink. The forward area of the galley includes the entertainment center with TV and a breakfast bar. There is a guest stateroom with twin bunks, it is separated from the salon by a retractable mirrored bulkhead. Across from the guest stateroom is the enclosed head compartment with vanity and shower stall. The master stateroom is forward and has centerline queen berth, hanging locker, TV, and lots of storage. There is more than enough room for overnight and weekend cruises. Reverse cycle HVAC maintains interior comfort.

This 390 Express Cruiser has twin 340-hp Mercruiser 7.4L engines that will provide dependable performance. They allow her to cruise in the mid-20s with a top speed of around 30 knots. Call now and schedule a showing of this very affordable, very roomy, 39' Sea Ray Express.
