SPECIFICATIONS

Overview

This Truly Classic 65 WINDROSE has classic lines with a modern hull under water and modern in mast-furling rig design to combine a pleasing appearance with comfortable, fast and easy sailing. WINDROSE was designed and built for family sailing, but she has done the occasional (day) charter as well. She often appeared in the Dutch TV programme Villa Felderhof as an ideal platform for leisurely interviews. Truly Classics have shown to be serious race winners and WINDROSE is very suitable to enter races like Voile de St. Tropez and Voile d'Antibes. WINDROSE is professionally maintained in excellent shape.
