SPECIFICATIONS

Overview

The Beneteau 411 offers an amazingly spacious interior with beautiful, rich woodwork while providing performance and true ease of handling on the water. Her sharp lines and sumptuous comfort may catch your eye first, but it will be her sailing performance that confirms her rightful place in the Beneteau family.

The large cockpit with teak inlaid seats is designed for maximum comfort while providing safety at sea. After a day of pleasurable sailing, going for a swim is easy and convenient with the extra wide aft swim platform, ladder, and walk through transom finished off with a nice cockpit shower.

Below the much desired 3 cabin layout afford a spacious and efficient layout that makes use of every nook and cranny. An abundance of natural light and ventilation floods the interior through many deck hatches, portholes and dorade vents. One of the few on the market with generator and 3 separate Marine air systems with separate controls.

Vessel licensed for charter with slip available.

DETAILED INFORMATION

Manufacturers Description

The Beneteau 411, designed by the renowned Groupe Finot, exemplifies a true marriage of performance and beauty. With the bulb / fin keel, maximum stability and efficiency on all points of sail are achieved by her low center of gravity. The traditional mainsail with North Quick Cover/ lazy jacks plus roller furling genoa provide efficiency and true ease of handling. The large cockpit with teak inlay seats is designed for maximum comfort and the pedestal console allows ample space to install electronics. There is also a dual-leaf cockpit table containing a large molded storage area and plenty of space to stow gear in the large cockpit lockers. The extra-wide aft swim platform and ladder, walk-through transom, and standard cockpit shower makes swimming easy and convenient. Both the two- and three-cabin layouts have roomy companionways, large cabins, and plenty of storage throughout, all accented with richly detailed cabinetry. Specially designed for serious cruising, the 411 nav station has a large chart table with additional locker storage underneath, as well as ample space for installing electronics. The deluxe forward owner's stateroom features a generous double berth and an upholstered port settee that is perfect for reading or relaxing. There is also private access to the spacious forward head with sink and shower unit. The galley is beautifully appointed with pressure laminate countertops, double stainless sinks, and loads of storage. The two-compartment refrigerator with top access, and the two-burner propane stove with oven will accommodate every culinary need.
