SPECIFICATIONS

Overview

This Silverton 39 Motor Yacht was built for the President of Silverton in 2004, and has had exceptional care since then. It has all factory options, including a larger generator. The engines were serviced in October 2014, and the canvas was replaced in 2013. As preventative maintenance, all engine hoses and head system hoses have been replaced. All fuel lines have been replaced. Updated Garmin Electronics and Bow Thruster. Gel coat is very good. The boat is lift kept, and stored indoors during the summer months.

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Deck Material: Fiberglass

Hull Configuration: Modified Deep Vee

Engine Information

Manufacturer: Cummins

Model: 370B

Fuel Type: Diesel

DETAILED INFORMATION

Overview

The Silverton 39 Motor Yacht is a culmination of extensive research and modern technology. Below, Silverton has increased the usage of rich solid cherry woods, created solid cherry raised panel doors, and extended the use of genuine Corian countertops. Top-grade interior hardware has been installed, and Flexsteel sofas and settees are included with UltraLeather surfaces. Up above, the SideWalk system reduces the number of steps, but certainly not the safe and easy access. Top-grade marine vinyl with Starboard backing and PreFixx coatings resist mildew and UV damage.

Accommodations

- Open salon with large windows
- L-shape sofa with coffee table
- Entertainment center with SA TV, newer Vizio TV and Bose sound system
- Curved dinette with cherry table
