DETAILED INFORMATION

Manufacturer's Description:

Some boats claim to raise fish. Others, like the CABO 35 Express, let their success speak for itself. A favorite of charter captains and seasoned anglers worldwide, she features a hull with small propeller pockets and clean underwater lines that create two ideal trolling alleys behind the transom, greatly increasing the number of strikes. It's one of the reasons other builders continue to study this benchmark model as they launch their own versions of our popular mid-sized sportfisher.
