SPECIFICATIONS

Overview

Living the Dream is a beautiful 2008 Lazzara 84' flybridge motor yacht. Her 5 Stateroom layout with crew accommodations for two, offers very generous interior volume similar to boats in the 100' range. This custom vessel has many options throughout the vessel that make here a complete and ready "to go" cruising motor yacht. Walk around teak decks offer easy access to crew and guests around the perimeter of the vessel. The expansive flybridge with full helm station creates a large dynamic space offering great views with several settee seating groups and full wetbar. A large aft deck with spacious seating and high gloss teak table lead into the grand salon. The salon is spacious and has an abundance of light thanks to the oversized deckhouse windows. Lazzara signature "country kitchen" is attractive for owners and guests to enjoy great views while having meals in a spacious galley, perfect for entertaining. The FWD accommodation set up has two staterooms with separate private heads. The stairwell midship leads down to the owners suite as well as the two VIP suites. The owners full beam suite has a spacious head and with beautiful stone shower. Large panoramic windows invite natural light into the owners suite making for breath taking views while underway. Both midship guest suites have their own dedicated private heads and full size inner spring mattresses. The Crew quarters aft accessed from the transom has two separate accomations and a shared head. The engine room boast two CAT C32 motors and a set of Onan generators all while maintaining good walk around access to all components in the engines room.

Annual yard period October 2014:

- Bottom painted 10/14
- New Zincs
- Props removed Scanned and balanced
- Shafts removed and dial indicated and put into factory spec
- New shaft seals installed
- Exhaust shower cans removed, serviced and reinstalled
- New nonskid flybridge deck
- Compound and wax entire hull and deckhouse
- Restore teak decks entire boat
- Recovered exterior cushions
- Serviced water maker

- Serviced engines and generator

- Dining Area
- Credenza on mirrored forward bulkhead
- Beveled glass upper storage cabinets with accent lighting
- Oval dining table and six (6) chairs
- Carpet
- Overhead ceiling treatment above dining table
- Cabinets near stairway

Galley

- Skylight
- Veneered cabinets and lockers
- Stainless cabinet handles
- Granite countertops
- Stainless steel sink with single faucet and sprayer
- Wood plank flooring
- Majilite overhead panels with foam backing
- Four burner Wolf electric built-in cook top
- Stainless steel microwave oven
- Stainless steel side by side refrigerator/freezer
- Stainless steel dishwasher
- 27" built-in Oven
- Four Sub Zero freezer/crisper drawers
- Telephone connection – one next to settee
- Instant hot water dispenser

- Water filter
- Recessed halogen down lights
- Raised dinette with curved seating for six (6)
- Granite table top
- Large storage locker accessed from top of dash
- Three (3) forward windows (windshield)
- Stairwell down to forward staterooms
- AC duplex receptacles
- Built-in pantry
- Stairs leading up to Flybridge

Master Stateroom

- Walk around Lazzara-size king bed with storage, innerspring mattress & padded headboard
- Wood veneered night stands, port and starboard
- Electric Hunter Douglas blinds in Master
- Wood veneered armoires, port and starboard
- Built-in settee
- Desk with seating
- Walk-in closet
- Wood valance
- Carpet
- Majilite overhead panels with foam backing
- Fabric wall coverings, removable panels
- Two (2) elliptical port lights
- Port light window treatment
- Private access to head
- Direct and indirect lighting
- Receptacles: AC duplex
- Decorative sconces
- Telephone outlet
- Safe in closet
- Separate storage/luggage closet accessed from closet

Master Head

- Marble vanity top, with two under mount sinks
- Wood cabinet with storage drawers and actuator latches
- Medicine cabinet with beveled mirror
- Marble flooring
- Wallpaper wall treatment
- Glass enclosed full size tub with Jacuzzi feature and shower with two (2) shower heads
- Full-size marine toilet
- Full sized marine bidet

- Towel bars, tissue holders, wall-mounted soap dishes and tumbler holders
- Exhaust fan
- Recessed halogen down lights with switches
- Two AC duplex receptacles with ground fault breakers
- Linen closet

Port & Starboard VIP Staterooms

- Queen-size walk-around berth with storage beneath and innerspring mattress
- Padded headboard
- Wood veneer corner storage cabinet
- Hanging locker/cedar lined with full-length mirrored door
- Carpet
- Majilite overhead panels with foam backing
- One elliptical port light
- Port light window treatment
- Private access to head (each room has own head)
- Direct and indirect lighting
- Receptacle: AC duplex
- Telephone outlet

Port & Starboard VIP Heads

- Wood vanity with medicine cabinet and mirror
- Marble vanity top with undermount sink
- Marble flooring
- Wall paper wall treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door, and hand-held shower head
- Full-size marine toilet
- Towel bars, tissue holder, wall-mounted soap and tumbler holders
- Wood valance
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Forward VIP Stateroom

- Two bunks (over/under) with storage below
- Wood veneered dresser with storage below
- Hanging locker/cedar lined with mirrored door
- Carpet
- Majilite overhead panels with foam backing
- Private access to head
- Direct and indirect lighting

- Wall-mounted reading light
- Receptacle: AC duplex
- Telephone outlet
- Overhead access Bomar hatch to foredeck

Forward VIP Head

- Wood vanity with mirrored medicine cabinet
- Marble vanity top with under mount sink
- Marble flooring
- Wallpaper wall treatment
- Majilite overhead panels with foam backing
- Shower stall with glass door and hand-held shower head
- Full-size marine toilet
- Towel bars, tissue holder
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Forward Port VIP

- Full size berth with storage below
- Bed base upholstered in Majilite
- Wood veneered night stand with drawers and wood top
- Wood veneered storage cabinets with doors outboard
- Wood veneered open shelving, outboard
- Hanging locker/cedar lined with mirrored door
- Carpet
- Majilite overhead panels with foam backing
- Private access to head
- Direct and indirect lighting
- Wall-mounted reading light
- Receptacle
- Telephone outlet
- Opening ports
- Makore cherry veneered desk with drawers, wood top

Forward Port VIP Head

- Wood vanity with mirrored medicine cabinet
- Wood vanity with mirrored medicine cabinet
- Marble vanity top with undermount sink
- Marble flooring
- Wallpaper wall treatment
- Majilite overhead panels with foam backing

- Shower stall with glass door and hand-held shower head
- Full-size marine toilet
- Towel bars, tissue holder
- Exhaust fan
- Halogen down lighting with switches
- Receptacle: AC duplex with ground fault breaker

Crew / Aft

- Stem deck capstans - Maxwell 24v
- CE & MCA certification and classification package

- Upgraded electrical system
- Upgraded appliances throughout vessel
- Audio visual modifications and upgrades for international regions
- Navtronics modifications and upgrades for international regions
- ASEA power converter
- Custom U-shaped sectional sofa, similar to photos submitted by client
- Phone and electrical sockets near galley table
- iPOD docking stations in master bedroom and main salon
- Foredeck bow speakers with stereo
- OZONE System

Construction

- GRP Composite Construction
- Hand-laid, unidirectional fiberglass with vacuum bagged balsa-cored hull, deck and flybridge
- Solid fiberglass laminated keel, chine and all hull penetration areas
- Balsa-cored, CNC machined reinforced stringer system
- Balsa-cored, CNC machined bulkheads and soles
- Vinylester resin used throughout
- High performance UV resistant gelcoat

Air Conditioning System

- Chilled water air conditioning system throughout vessel.
- Every room in vessel is equipped with its own thermostat for complete control
- Individual head exhaust fans

Bilge System

- Main bilge, manifold to three bilges
- Three (3) bilge pumps, one per bilge compartment

Black Water System

- 200 US gallon black water storage tank
- Access for pump out
- Waste removal forward starboard side
- Headhunter Head system throughout vessel
- Central vacuum system

Control & Instruments, Main Engines

- CAT Electronic Control and Monitoring System with controls at pilothouse and flybridge helms, and aft deck docking station
- Drive Train
- Aquamet 3 1/2" 22HS propulsion shafting

- Five (5) bladed, fixed pitch bronze upgraded to Veem propeller
- Dripless shaft seals
- Cutlass bearings
- Bronze “I” strut system

Engines & Transmissions

- CAT C-32:1650 BHP at 2,300 RPM with water-cooled turbochargers and chrome engine oil filter package
- CAT Electronic Engine Control and Monitoring System

Engine Room

- Removable engine room hatch
- Mechanical engine monitoring gauges
- Bronze sea cocks with underwater bronze thru hulls
- Double thermal and acoustic insulation throughout
- White perforated aluminum hull side, bulkhead and FRP overhead panels
- Automatic ventilation system with variable speed forced intake and exhaust
- Compressed air service outlet
- Fresh water outlet
- Generator Exhaust upgrade
- Generators soundproofing.

Exhaust System, Main Engines

- Jacketed, stainless steel and FRP wet exhaust system with idle bypass
- Fire Extinguishing System
- Automatic and manual fire system
- Thirteen (13) mounted fire extinguishers

Fuel System

- Single centerline fiberglass (Hetron fire retardant resin) fuel tank with 2,000 US gallon capacity
- Manual and electronic tank level indicators with high-low alarm
- Fuel lines, aircraft type, solid and flexible tubing, stainless steel grade
- Racor fuel filters (main engines)
- Racor fuel filters (generator)
- Stainless steel fuel fill aft

Lube Oil System

- Lubricating oil change system with DC pump
- 30 US gallon fresh oil storage tank
- 30 US gallon used oil storage tank

- Quick-connect drain fittings on engines and generators

Noise, Thermal and Vibration Control

- All primary machinery & equipment resiliently mounted
- Engine Room provided with double thermal and acoustic insulation
- All living areas acoustically insulated
- Soundown carpet pad used throughout
- Lower deck soles vibration isolated

Sea Water Cooling System

- Bronze sea strainer with Monel basket for each engine

Stabilizers

- American Bow Thruster, TRAC System, two (2) FRP stabilizer fins.

Steering System

- Engine power assisted hydraulic steering system
- Stainless steel hydraulic lines
- Custom twin bronze airfoil rudder system
- Stainless steel rudder stocks
- Cast bronze lower rudder bearings and seals with flax packing gland

Thruster / Bow

- Hydraulic 25 hp. American Bow Thruster
- Dual joystick controls with alarm & indicator light @ three stations
- Electrical Systems

Exterior Lighting

- All exterior lighting has been changed to LED
- Overhead lights and accent arch lights
- Navigation lights, including:
 - Forward steaming light
 - Port / Starboard side running lights
 - Stern running light
 - Anchor light
- Exterior stairway lights
- Aft deck, transom and foredeck lights
- Boat deck lighting
- Life raft embarkation lights
- Emergency lighting at each stairway
- GoLight searchlight with dual remote controls

Generator

- Two (2) Onan 27.5 KW Diesel:, single phase, with sound enclosure and control panels.
- Engine fitted with alternator and muffler
- Generator Fuel and Water separator exhaust upgrade

Grounding

- AC and DC Bonding and Grounding System
- Bonded metal sea water pipe, valves, thru-hulls, strainers
- Sacrificial zincs: anodes on all running-rig components

Interior Lighting

- Nearly all interior lights have been changed to LED
- AC lighting all interior areas
- Vimar switches and receptacles
- Public space lights with DC emergency circuits
- Fluorescent lighting / engine room

Switchboards, Load Banks and Control Panels

- AC and DC master control distribution panel located in engine room with four (4) sub panels located within the yacht
- Wire and Cables
- All wire at or above approved MCA specifications
- All cables marked with circuit number
- Wire chase runs throughout
- 100 Amp/220 VAC/50 HZ service
- 110V outlets throughout boat
- 100' 100 amp, 220 VAC shore cord starboard aft
- Automatic power cord reel
- Isolation transformer
- Full ASEA (Global Version) power conversion unit

Main Deck Outfitting

- Anchor and Anchor Handling
- Dual Maxwell electric, vertical windlasses with chain stopper and wash down
- Dual anchor chute, stainless steel
- Two (2) stainless steel 80 lb. anchors
- Completely redesigned twin anchor system (3 chutes) which allows vessel to dock/moore anywhere in the world
- Center chute for Med mooring
- Stbd anchor is 130lb. with 250' of 14mm chain
- Port anchor is standard Lazzara 80lb but has 160' of 10mm chain

- Hydraulic swim platform
- Bridge hydraulic davit for launching tender with handheld remote

Canvas

- Stamoid weather covers, including:
- Two (2) flybridge tables
- Two (2) flybridge settees
- Flybridge console
- Two (2) flybridge helm chairs
- Flybridge bar and bar stools (optional)
- Aft deck table
- Two (2) aft deck chairs
- Aft deck settee
- Four (4) fender covers
- Bow sunpad cover
- Textilene windshield covers
- Wheel bag cover
- Dinghy

Deck Hardware

- Ships Air Horn: dual 15" and 18"
- Windshield wiper system 24 vdc / pantograph type
- Flagpole and Jack staff, including:
- Teak 48" Flagpole with American flag
- Stainless steel Jack staff
- Bow, spring and stern cleats, 316L stainless steel
- Stainless 316L steel rails on main deck
- Burgee staff, custom stainless steel, with burgee flag
- Hawse pipes with stainless steel guide posts
- Forward hatch to bow cabin
- Logo, stainless steel
- Sliding fender tracks
- Dual aft deck captains

Doors, Hatches and Scuttles

- Dogged Doors: painted aluminum, including:
- Weather tight engine room access door
- Emergency engine room access hatch
- Foredeck access hatch
- Curved stainless steel aft main salon sliding door
- By-pass sliding cabin deck door

Mooring System

- Eight (8) custom cast and polished deck cleats
- Custom cast and polished stainless steel hawse rings
- Two aft deck captains
- Completely redesigned twin anchor system (3 chutes) which allows vessel to dock/moore anywhere in the world
- Center chute for Med mooring
- Stbd anchor is 130lb. with 250' of 14mm chain
- Port anchor is standard Lazzara 80lb but has 160' of 10mm chain
- Telescoping boat hook with mounting brackets

Port lights and Windows

- Four (4) fixed elliptical port lights
- Two (2) opening port lights forward
- Main deck windows are tinted glass, laminated and chemically strengthened
- Helm windows are clear glass, laminated and chemically strengthened, including:
- Pantograph wipers with freshwater wash and intermittent speed
- Flybridge windscreen with polished stainless steel frame and tinted glass

Rails, Ladders and Gangways

- Stainless steel (316L) hand rails on all exterior decks
- Hand rails for all exterior stairs
- Seven (7) step boarding ladder with handrail: mounts to starboard
- Solid PVC rub rail with stainless steel insert
- Opacmare Passarelle

Storage Locker Foredeck

- Locker lid with sunpad cushions
- Aft Deck / Transom Outfitting

Aft Deck

- Docking control station, including:
- Control for thruster system
- Electronic engine controls
- Table with Wood top
- Built in settee group, vinyl covered
- Access to sport transom deck with handrail
- Overhead built-in lighting and speakers
- Access to walk around decks leading forward
- Teak Decking Systems teak aft deck & stair treads
- Access to engine room emergency escape hatch
- 120 VAC duplex receptacle with ground fault breaker
- Stairway to flybridge

Exterior Overheads

- Painted overhead panels
- Recessed exterior down lights

Aft Sport Deck

- Dockside water connection
- Custom hydraulic swim platform
- Freshwater hot and cold shower
- Access to captain and crew quarters
- Access to shore power inlet

Flybridge Arch

- Custom fiberglass instrument arch, including:
- Electronics
- Antennas
- Radar
- Lighting
- Horns
- Navigational lighting
- Hydraulic davit with remote control, port side concealed into styling line

Custom Options & Vessel Highlights

- Two helm stations(upper/lower)
- Opac Mare Passarelle
- Teak deck package(full teak walk around decks, swim platform and transom)
- Hydraulic bow thruster
- Flybridge Deck Crane Nautical Structure
