DETAILED INFORMATION

Manufacturer Provided Description

At 44 feet in length, the Sea Ray 440 Sundancer looks more like a cruise liner than a sport yacht. Then again, it has almost as much room. On deck is a spacious cockpit with ample bench seating for friends and family - perfect for relaxing in the sun. There's also a wet bar for refreshment on those hot summer days. Just a few steps below, more relief from the sun comes in the form of an inviting salon with a convertible nine-foot sofa and optional air conditioning. In the master stateroom, there's a queen-sized bed. And for the chef, the fully equipped galley has everything needed to fix a late night snack or a full course meal.

The Powerboat Guide says.....

This graceful Sport Cruiser was state-of-the-art in terms of luxury when she was launched. Spacious two stateroom interior with one extremely large head and shower, 9' long salon sofa, full entertainment center with stereo, **new 22 in HDTV and DVD player**, large galley with Upright refrigerator. The salon extends aft into the mid-cabin space, that easily converts into a sleeper and has a sliding privacy door. Huge cockpit with a triple helm seat, wet bar and ice maker (new in 2012), U-shaped cockpit seating with table and (NEW in 2014) cockpit carpet.
