# SPECIFICATIONS

---

## Overview

---

This 278 Open uses a legendary hand-laid all fiberglass modified step-V hull, Dusky Drive, and twin 175hp ETEC engine package to deliver incredible performance, safety, and durability. Incredibly, she will run up to about 50 MPH if called upon, and will cruise at 28 MPH at about 2.4 MPG. She is packed with fishing features, including outriggers, live well, a Lowrance HDS12, autopilot, underwater lights, two tackle centers, and a massive removable SSi 320qt ultimate cooler. She has a forward seating configuration, and a roomy stand-up sub console with sink and head.

The engines have only 20 hours and are under extended warranty until 2020!

She is truly an amazing boat, perfect for fishing, diving, or family fun. Owner is moving, and has priced her under the market to sell quickly...act fast!

## Basic Information

---
