# DETAILED INFORMATION

---

## Remarks

---

Have you been considering a diesel powered express cruiser? Here's your opportunity to own the timelessly styled 45 Sundancer for the price of a much smaller one! She has been extremely well-maintained inside and out. She has all the right features such as CAT diesels, two-stateroom layout, new canvas, camper top, isinglass, new recovered seats (summer 2012), full electronics and cockpit A/C! Head to the Keys this weekend. **Owner requires 24 hour notice before showing vessel.**

## Vessel Walkthrough

---

The Sea Ray 45 Sundancer is a super seller for many reasons, one being her timeless styling. This particular boat has all the desirable features of this model including the two-stateroom, two full head layout, full canvas and cockpit climate control. As one walks from stern to bow, they'll notice her huge wraparound seating area with removable table aft. To port is a wetbar and an icemaker. Moving forward, one will find a very commanding single helm seat with a large couch helm to port. Literally, 4 or 5 guests can sit at the helm deck at once! To port is a companionway that leads down into the massive and well-lit salon. There's a full galley to port and a full-length couch/dinette to starboard. Looking aft are pocket doors to the mid-cabin that sports its own private head. Moving forward from the salon, one will find a master head with both a salon entry as well as private entry from the forward stateroom. The master head is one of the largest I have seen on a boat in this class and has a separate shower. The master stateroom is forward and features an island-style pedestal berth, ample storage to port and starboard and a nice vanity to starboard. This vessel stands tall, shows very well, maintained since new and is set up for extended cruising anywhere!

## Salon

---

- Overhead florescent lighting
- Accent lighting throughout
- GFI protected outlets
- Ultraleather upholstery throughout
- Sliding master oak-lined door
- Throw pillows
- Cedar-lined hanging locker
- Hanging locker and vanity to starboard of master
