Manufacturer Provided Description

A Grand Tourer of the sea; stately, luxurious and panoramic: a floating home from home. This is the concept that was elaborated by Stefano Righini and Carlo Galeazzi together with Viareggio's Azimut team. A concept that evolved into a just over 85 feet long and nearly 22 feet wide villa on the sea. Ample windows on both decks, dilated volume and an original layout are only a few of the many assets on the 85 fly. This is the Owner version, with a large full beam suite amidships, private access to the lounge and two separate en-suite bathrooms.

Aft Deck

- Fiberglass overhead with recessed lights, two stereo speakers, and intercom
- Stainless steel leads, port and starboard
- Teak over fiberglass deck
- Lofrans warping windlass, port and starboard
- Stern bollard, port and starboard
- Stainless steel rail and stanchions, aft on bulwarks
- Stainless steel gates to swim platform, port and starboard

Just A Vacation — AZIMUT Page 9 of 33

- Port and starboard stainless steel rail and stanchions on bulwarks
- Water fill, port
- 110-volt GFI outlet
- Port and starboard closed circuit television cameras
- Two stainless steel aft supports to overhead
- Curved bench seat, aft, with new cushions 2014
- Two single pedestal mounted tables, forward u-shaped seating with deck chairs
- Hatch/stairs/passarelle controls, starboard aft
- Shelved locker, port
- · Stainless steel sliding door to salon, forward
- Nine steps to flybridge deck
- Drink box, port
- · Twenty-four-inch life ring, port and starboard
- Revere 12-person life raft and Hydrostatic release
- Nautical Structures Euro 1275 EX Davit
- Opacmare passarelle w/ new control handle
- · Deck courtesy lights
- Seven step MarQuipt tide ladder
- Deck drains, port and starboard, aft

Salon

- Entrance via aft deck dual stainless steel sliding doors with drapes
- Carpeted sole with canvas runner. New carpet 2014
- Ultra suede paneled overhead with recessed cherry feature
- Recessed soffit with rope lighting overhead
- · Recessed overhead lights

- Fire station in locker, starboard aft on side deck with 20m of 50mm hose
- Two windshield wipers
- Water fill, port and starboard aft
- DAVIT: Nautical Structures-Hydraulic/Electric
- PASARELLE: Opacmare Electric / Hydraulic

Engine Room & Machinery

- T-CAT C32 A CERT
- Serial numbers: Port RNC 02372 / STBD RNC 02370
- Diamond plate deck
- Two 3-lb Badger dry chemical fire extinguishers, tag February 2012
- Two Kohler 32-kw generators with 4933 hours port and 5482 hours starboard
- Two telemechanic frequency controllers for engine room fans
- · Discharge of oil placard
- Waste Management plan, forward
- Two generator exhaust/water separators
- Two engine room extractor fans
- Two engine room intake blowers, aft
- Two Racor 1000 fuel filters to each engine
- Two Racor 500 fuel filters to each generator
- Electric/automatic bilge pump with float switch, aft
- · High water alarm switch, aft
- Six dual lamp florescent lights
- Hydraulic power takeoff from starboard engine to bow thruster and stabilizer hydraulics
- 4D 12-volt battery forward for each generator with cuttoff switch
- Dripless shaft seals
- Fire pump, 220-volt, starboard forward
- Bilge pump, 220-volt, to six compartment manifold with manual backup pump
- Two air conditioning chilled water circulating pumps
- Two air conditioning raw water cooling pumps, port
- Two Mastervolt 100 amp 24-volt battery chargers
- Three main engine battery cut-off switches, aft

Just A Vacation — AZIMUT Page 21 of 33

- Mastervolt 50 amp 24-volt battery charger
- Two generator battery cut-off switches, aft
- Emergency battery parrallel switch
- 24-volt electrical panel, aft
- 220V and 24V freshwater pressure pumps with accumulator tank, port forward
- Auxiliary raw water intakes, port and starboard forward
- Atlas shore power conditioner and control panel, aft. Makes this a world cruising capable yacht
- Electric fuel transfer pump, forward
- Bow thruster/stabilizer hydraulic reservoir, aft of port engine
- Two 8D 12-volt batteries, starboard port aft
- · Lube oil tank, centerline aft
- Opacmare hydraulic pack for passarelle, port
- Generator 1 and Generator 2, 220-V.A.C. electrical panels, forward
- Twelve 2-volt batteries, centerline
- · Fiberglass muffler to each generator
- Oil change pump to manifold for engines gensets and transmissions
- ZF Cruise Command control boxes
- CCTV camera
- · Wateright entry door, aft
- Hydraulic reservoir, aft
- Diverter valve plumbed off both engine raw water intake for emergency bilge pumping capabilities
- Seamless transfer Atlas transformer in place of
- Two SAE shore power conditioners/transformers with digital meter
- Caterpillar gauge cluster, port and starboard
- Electric/hydraulic pack to passerelle
- Hydraulic pumps to central hydraulic system
- Intercom with headset

Exclusions

Owner's personal belongings.
