SPECIFICATIONS

Overview

Your cruising enjoyment begins with exceptional design, and the design begins with the hull. The Pacific Mariner 65 Diamond hull, the creation of renowned naval architect William Garden, delivers unparalleled performance, responsive handling and a smooth ride.

Exterior design and interior arrangement by Gregory Marshall offer the timeless appeal of traditional styling with a crisp, contemporary flair, and a functional layout that utilizes every square inch of space.

Warm and inviting. Spacious and light. Comfortable and relaxing. Your feelings and senses describe all that *Play Power* is and brings you to why you are aboard.

It's the adventures and memories that are experienced as you share this well known cruising yacht with family and friends.

The guest accommodations are enhanced with private ensuite heads and multi-media entertainment features.

Whatever your mood, you will enjoy the many offerings within *Play Power*.

Please view the full Specifications and Photo Gallery, and contact me for an appointment.

DETAILED INFORMATION

Introudcation

The Ultimate Cruise means many things to many people. For many, it means time with family and good friends, renewing relationships in a relaxing, stress-free environment - one of life's great rewards. Some may envision the discovery of new destinations, the re-discovery of old favorites, or the simple peace of a remote anchorage, with only the sunset and sea birds for company. Other would seek to challenge their horizons in a lengthier odyssey spanning entire regions..and maybe it's all of the above, and more.

Your particular style of cruising, of course, is entirely up to you. But whichever you prefer, *Play Power makes it all possible.*

Exclusions

Exclusions to include, but not limited to, owner's personal items. If requested at time of sale a complete list will be given.

Walk Through

As you step inside the salon, you're surrounded by a warmth of cherry cabinetry and woodwork. A sweep of windows frames a panoramic view. Lounge seating and an adjacent table allow socializing and relaxed conversation; the richly-finished camphor table adjusts both

vertically and horizontally for dining and onboard entertaining. A 42" plasma TV anchors a premium home theater system with surround sound, and a fully equipped wet bar completes an elegant seagoing environment.

The pilothouse deck arrangement enables the entire family to enjoy the cruise together. A fully equipped galley allows efficient food preparation, and at the adjacent informal dinette, the table converts to accommodate family meals or casual refreshments. Passengers and captain alike view the passing scenery through an uninterrupted sweep of windows, and the helm station features a full complement of electronics for precise, effortless navigation. Port and starboard doors allow quick access to the foredeck sunpad.

Accommodations onboard *Play Power* provide exceptional privacy and comfort for owner, family, and guests. Three staterooms each include flat screen TV, stereo, hanging locker, drawer storage, and an ensuite head. The owner's stateroom adds a desk, built-in dresser, and dual walk-in wardrobes. *Play Power's* quiet operation assures everyone a good night's sleep.

***Play Power's* aft deck** is equally inviting and versatile. An upholstered lounge offers stretch-out comfort, and rises to allow convenient access to mechanical spaces and crew quarters aft. Moulded-in steps lead to a broad swim platform that is complete with storage compartments, boarding ladder, and a hot/cold fresh water shower for swimmers and divers.

Topside the convenience of an enclosed helm, lounge with table, barbeque, and refrigerator all adds up to unsurpassed comfort, convenience, and enjoyment. *Play Power's* tender is cradled just aft of the enclosed flybridge on the boat deck.

Exclusions

Owner's personal belongings.
