ПОДРОБНОЕ ОПИСАНИЕ

Accommodations

The Accommodations include three staterooms aft and two additional cabins forward. Three Staterooms are accessed from a spiral pedestal staircase in the main salon. The Master cabin, located mid-ship features a king size bed flanked by a pair of built-in side tables. There is a built in TV opposite, and walk-in closets on each side. The honey-colored birds eye maple and woven wall coverings are continued throughout this deck level. The starboard side head has maple flooring and features a large shower/tub. The long granite countertop has a pair of his-and-her sinks with lots of storage below. Hann Spree TV Samsung DVD JVC Stereo/DVD CD Entertainment Two cabins are also accessed from this foyer. Both port and starboard side cabins have full-size beds and ensuite heads. The staircase down to the forward cabins is located next to the dinette in the forward part of the galley. The staircase landing opens into a large foyer providing access to a wide freezer and the stacked washer-dryer unit on the forward bulkhead. The sole has several dry storage compartments in the bilge.

Portside crew cabin has a wide single berth and the starboard side cabin has upper/lower bunks. Both have ensuite heads with showers.

Main Deck

A roomy swim platform provides stand-up access to DRIVEN's engine room. With plenty of head room and a well laid out floor plan with easy access to the twin MTU's, air conditioning units and Onan generator. A natural teak pedestal ladder leads up to the aft deck. Teak brightwork 'pops' on a large wetbar portside with a Kitchenaid ice maker and double drawer refrigerator tucked beneath. To starboard is a large dining table for al fresco meals and a handsome teak and holly inlay cocktail table is tucked into the portside corner of this comfortable lounging area. A ladder to the flybridge is starboard, next to the door to the main salon. The main salon is a symphony in natural, neutral tones with woven grass wall coverings, dining chairs and stools, granite countertops and golden birds-eye maple cabinetry. A large U-shaped sofa is located beneath the aft and portside windows, and a smaller settee is built in opposite. The entertainment center is located in the starboard aft corner, allowing great TV viewing from anywhere in the room with convenient storage space beneath. Additional storage has been incorporated in a long buffet/desk built beneath the starboard windows, and includes an under-counter refrigerator and icemaker. Immediately forward of this storage area is the staircase leading down to the accommodation. The dining area is in the forward area of the main salon, with a round, burlled, birds-eye maple table and woven rattan chairs – a perfect foil for the woven grass wall coverings. China and glassware storage surrounds the dining area in low, granite-topped cabinets, giving the room a wide open feeling, and superb visibility all the way around. The forward bulkhead is finished with a bookcase above the china storage cupboards. As you enter the wood-floored galley, there are stairs to the sky lounge starboard, with a day head utilizing the space beneath. The working part of the galley is a standard U-shape, outfitted with granite countertops and

backsplash. On the forward side of the counter, two barstools are stored for casual dining or chatting with the cook while he's making dinner. Exit to the side decks are both port and starboard. An upholstered settee for more informal dining is under the large forward windows. Westinghouse Dishwasher Kitchenaid: Trash Compactor, Microwave, 4 burner range, and Oven Sub Zero Fridge/Freezer

Sky Lounge

The sky lounge can be accessed from either the starboard-side stairway in the galley, or from the starboard ladder on the aft deck. The sky lounge features wide views of the passing scenery, bright natural light and natural fabrics and light toned woods. Forward, the helm console has two upholstered Captain's chairs. The electronic controls and gauges are on the console. U Line Fridge Just behind the chairs, a writing/game desk with two barrel chairs is built in under the starboard windows with a storage cabinet opposite. This desk can also be used as a computer station or chart table when needed. The entertainment area further aft provides a L-shaped settee on the portside in view of a pop-up TV enclosed in another cabinet under the starboard windows. A wide sliding door provides access to the outer deck, and an outdoor seating area with banquette and plenty of room for a dingy. Meile Grill Flood Lights 2 lounge chairs Umbrella

Lower Deck Forward

The ladder down to the forward two cabins is located next to the dinette in the forward part of the galley. This opens into a large foyer providing access to a wide Sub Zero freezer and the stacked GE washer-dryer unit on the forward bulkhead. The sole has several dry storage compartments in the bilge.
