# DETAILED INFORMATION

---

## Walkthrough

---

The 42 Marquis SC is so modern and sleek it is hard to believe it is made in the USA.

Boarding is via the extra wide swim platform and up one step to the Cockpit with an electrically movable seat that slides aft to give even more room.

The large hinged entry door to port has a matching side light which also opens making the Salon open air when needed.

The black maple hardwood Salon sole contrasts nicely with the U shaped settee to starboard and built in to port.

Down one step to port is the open Galley. Opposite and up two steps is the Helm Area with a comfortable two person bench seat.

Down two steps to starboard is the Guest Cabin with twin bunks. To port the shared Head with stall shower and forward the Master Cabin with a walk around queen berth.

## Salon

---

Entered via a large door to port, nearly the entire aft bulkhead is glass. In fact with its polycarbonate sunroof and dual level Salon windows, there is an amazing amount of natural light that enters SEA E O.

Immediately to starboard is a two tone C shaped settee with storage below and an electrically operated hi-lo table that has two leaves to expand to 100% of its folded size. Outboard of the settee are the aforementioned two level Salon windows with drapes at the lower level and LED lights and speakers above the upper level.

To port is a built in cabinet with a popup Sole 26" LCD TV, three cabinet doors, a drawer and the two door main AC electrical panel. Also in this area is a Clarion LCD panel AM/FM radio, a six disc changer and two level Salon windows with drapes, LED lights and speakers to match those to starboard.

Two leather occasional chairs lie in front of the cabinetry.

Also in the Salon is blue LED ambient lighting, a CO detector and a snap on aft door curtains for privacy.

## Galley

---

The Galley is next forward and to port and down one small step.

It is C shaped and contains the following equipment:

Hardwood planked wood sole with large storage area below Corian countertop Princess two burner Ceran top cook top Under mount extra deep stainless steel sink Lucite sea rail aft Dometic stainless steel microwave Vitrifrigo stainless steel under counter refrigerator w/freezer compartment (3) Under counter lights Backlit 3 shelf glass rack behind curved Lucite door (2) Cabinets (2) Drawers (3) Dedicated LED lights above Exhaust fan

---

## Helm Equipment

Raymarine Ray 240 handset type VHF Remote Raymarine VHF speaker (2) Raymarine E120 plotters/radar/depth sounder Raymarine ST 6002 autopilot Raymarine S100 wireless autopilot control 4" Danforth magnetic compass Tilt leather helm wheel Volvo electronic clutch & throttle controls Volvo joystick control Lectrotab trim tab controls Golight remote searchlight controls including wireless control (2) Volvo LCD gauge panels (2) Key switches 12 Volt accessory outlet (2) Analog fuel gauges (2) Windshield wiper/washer controls Windlass controls Windshield defogger Blower controls (3) Bilge pump switches CO monitor Large storage drawer under helm seat Double wide helm bench with fore/aft adjustment (2) Doors over 12V DC electrical panel Sensa tank water & waste tank gauge Sunroof/sunshade controls Fireboy engine override switch Fireboy emergency pull handle for fire system

---

## Guest Cabin

Down two steps and forward is the Guest Cabin on the starboard side. Entering from the front of the cabin there are two berths facing forward with a small nightstand between.

Outboard are two opening round stainless steel portholes with drapes. Above is a two door storage cabinet followed by a two door auto lit hanging locker and a two door cabinet below.

Also in this cabin are four halogen mini spots, a carpeted sole, two stereo speakers, a CO monitor, a deck level courtesy light and a skylight above.

---

## Head

Opposite the Guest Cabin and to starboard is the yacht's Head. The vanity has two cabinet doors and two drawers below the Corian countertop. The sink is a glass vessel type with countertop faucet controls.

The stall shower has a clear glass door, an opening obscured glass stainless steel porthole, a handheld or wall mountable fixture, a light and an exhaust fan.

Also in the Head is an additional storage cabinet, two mirrored medicine cabinet doors above the sink, a skylight, four halogen mini spots, a marble tile sole and a Vacuflush toilet.

The Head is also air conditioned.

---

## Master Cabin

---

All the way forward is the Master Cabin with an oversize queen size island berth on centerline from the forward bulkhead. Two drawers under the bed offer storage. The headboard has two sconce type reading lights with an obscured glass escape hatch above. Triangular shelves act as nightstands. Two raised steps port and starboard make access easier.

Behind drapes to both port and starboard are fixed stainless steel deadlights. Above behind drapes are fixed tinted skylights.

Aft to starboard is a small cabinet with a Clarion M475 AM/FM/CD player with an iPod connection and a separate Clarion DVD player.

Next aft is a two door auto lit hanging locker with a central vacuum inside.

A 20" Sole LCD TV is tilted towards the bed and mounted on the aft bulkhead next to the entry door. An upholstered bench with storage within is below.

To port is a storage cabinet, the Cabin's digital AC controls and a mirrored panel.

Also in this cabin is a carpeted sole, stereo speakers, a CO monitor and seven halogen mini spots.

---

## Foredeck

---

Fiberglass nonskid deck Welded stainless steel bow rail Molded toe rails Maxwell DC operated windlass w/rope/chain capstan & dedicated securing cleat Up & down foot switches for windlass w/chrome covers Stainless steel anchor plate w/integrated bow roller Stainless steel strike plate mounted on bow Delta plow type anchor w/ 5/8 line & shot of chain Bomar hatch over Master Cabin (2) Lexan fixed skylights over Master Cabin Stainless steel grab rails at cabin sides Electrically operated sun roof Removable bow sun pad cushions (2) Windshield wipers/washers Go-light remote controlled searchlight International Navigation lights (4) Lexan drink holders at sun pad Textulene windshield cover Textulene side window covers Dual spring line cleats

## Remarks

---

Actual LOA is 43'7".

With her metallic black hull and trim, racy lines and good turn of speed SEA E O will turn heads in any port.

---

An accomplished sea boat this particular 42 SC has cruised as far south as Puerto Rico and spent a part of her life in Lake Michigan.

Well equipped, nicely maintained and fairly priced SEA E O is offered for sale by an owner who is moving up to a much larger vessel.

## **Exclusions**

---

While every effort was made to list all pertinent included equipment aboard SEA E O, there are some personal belongings aboard. Prospective purchasers should assume any item not specifically mentioned herein will not convey at closing.

## **Exclusions**

---

Owner's personal belongings.

## **Disclaimer**

---

The Company offers the details of this vessel or yacht in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel. A buyer should instruct his representatives, agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel or yacht is offered subject to prior sale, price change, or withdrawal without notice.
