## Overview

---

An impressive yacht with powerful lines and unsurpassed luxury, the Viking Princess V58 is a sophisticated blend of modern engineering and state-of-the-art construction. Sleek and sporty topsides with molded spray rails and a deep-V bottom define the hull, and high-gloss cherry joinery highlights the spacious interior. While many sport cruisers are available with optional hardtops, the V58's folding sunroof offers the advantage of making the roof disappear and letting the sun shine in. The cockpit layout is centered around a huge U-shaped lounge for seating or dining. A double helm converts to a leaning post for rough-water passages, and a plush upholstered aft sun pad rises at the push of a button to reveal a large bay for a tender or PWC. The belowdecks accommodations allows six adults to sleep in three staterooms. The amidships master has a double berth and ensuite head, as does the forepeak VIP cabin. A large part of the salon is laid with a parquet-style floor. Additional features include a spacious engine room, teak cockpit sole, hidden galley appliances, and cockpit grill. An excellent performer with 900hp MANs V10 D2840LE, the V58 will cruise at an honest 27 knots and top out at close to 34 knots.
