DETAILED INFORMATION

Vessel Information

This Tiara has been meticulously captain maintained and is outfitted with all the preferred options and equipment you can find on a Tiara 44. From her reliable Cummins QSM11 engines to a fully air conditioned helm she will get you there in comfort and style while reaching a top speed of 33 kts and a comfortable cruise of 28 kts. The Sovran 4400 appeals to the masses offering the perfect blend of technology, power, innovation, and luxury unmatched in this size and year range. Competitive express-style boats simply can't measure up to the Sovran 4400 measuring in at over 49 feet with the standard bow pulpit and swim platform. The ergonomic helm area features an large portside lounge and table. The captain can comfortably handle the boat from the adjustable doublewide Stidd helm seat and all parties are comfortable thanks to the upgrades helm air condition. This vessel gets all she needs and looks the part being serviced annual across the board and waxed on a regular basis. This beautiful Tiara received all new exterior cushions in 2013 and the props have been freshly reconditioned receives a weekly washing. Don't miss out on this one, as she is likely the nicest 44 on the market.
