## Overview

---

The M/V Wings of Fire is a beautiful example of a traditional trawler in a Sundeck configuration with a fly-bridge. She offers the popular two-stateroom layout. The master stateroom is aft and has plenty room with a full beam queen center-line walk around berth with night stands on both sides. The second stateroom, forward features a space saving off set to starboard double V berth, with it's own private head and shower. The salon has a sleeper sofa to port and a convertible bunk dinette opposite the galley to starboard. She offers a total of eight comfortable sleeping accommodations for family or friends.

This home on water with plenty of extra light and great visibility with a full forward windshield offers inside comfort from the weather or sun. Her fuel efficient Ford Lehman 135 HP diesel engine, will take you cruising for the weekend, south for the winter and offers time proven reliability to embark on the Great Loop circumnavigation of the eastern half of the US.

The salon with it's L shaped settee, entertainment center and wide open area is a truly functional space for entertaining, relaxing or just to stretch out. The aft sundeck is covered by a hardtop and also provides safe easy access to the full beam swim platform that also support the dingy. The fly-bridge has plenty of seating for guests and a comfortable adjustable captain's chair for easy helm control access and great visibility.
