SPECIFICATIONS

Overview

The original concept behind the Black Pearl Sport Fishing Catamaran was simple: Create a sport fishing convertible with a comfortable and dry ride that features spacious accommodations and appointments on a catamaran hull design that was fuel efficient and extremely stable. With the added benefit of only having a 3'4" draft, the Black Pearl is exactly that. The Crowther designed hull is cutting edge. Pro-Boat Ltd. of Brazil manufactured the "Black Pearl" brand that was imported to the USA under the watchful eye Black Pearl Marine.

Basic Information

Category: Catamaran

Sub Category: Sport Fisherman

DETAILED INFORMATION

OVERVIEW

The original concept behind the Black Pearl sport fishing catamaran was simple: Create a sport fishing convertible with a comfortable and dry ride that featured spacious accommodations and appointments on a catamaran hull design that was fuel efficient and extremely stable. With the added benefit of only having a 3'4" draft, The Black Pearl is exactly that! The Crowther designed hull is cutting edge. Pro-Boat Ltd out of Brazil manufactured the "Black Pearl" brand that was imported to the USA under the watchful eye Black Pearl Marine.

ACCOMMODATIONS

The Black Pearl has an open spacious salon with 6'7" headroom and L-shaped sofas to port and starboard. The galley is an integral part of the salon with a traditional "galley up" sport fish layout and adjoining booth style dinette. The staterooms are forward. The master stateroom is to port and features an inset queen berth and ensuite head with separate shower. The guest stateroom is to starboard and features side by side single berths and ensuite head with separate shower. There is a nicely finished tackle storage room under the dinette with access from the companionway that abounds lots of usable space. There is access to the single crew's quarters from the foredeck through a deck hatch. The engine rooms are independent of each other and are accessible through the cockpit.
