## Overview

---

This 393 is the very desirable two cabin model, providing a larger aft cabin that is a true stateroom for the owners, along with the standard forward guest cabin, a larger U-shaped galley positioned between the dining area and the companionway where it belongs, a super-sized port seat locker in the cockpit for storage and a true navigation station plus cabinet/drawer storage across from the main salon table. "Destination" is in new boat condition with In-mast furling for the main, Profurl roller furling for the 140% genoa, spinnaker, great electronics, seven opening hatches, "skylight brightness" in the main salon and GREAT sailing performance!

Recently launched for the season, she is now conveniently located in Fort Lauderdale Florida for your inspection. Two coats of bottom paint were applied prior to launch in 10/14. All systems are in proper working order, and this well-equipped vessel is ready for a seventh season of fun cruising in the Bahamas. Her owner is approaching retirement and is ready to move on to new adventures.

## Vessel Specifications

## Accommodations

The Beneteau 393 has a great cockpit. It is large enough to be very comfortable with good back support and seats long enough to sleep under the stars. It will also fit guests for cocktails and/or dinner. The wheel can be easily removed for even more space while at anchor and there is a folding cockpit table that will serve dinner to four. The interior starts in the aft with a super sized private masters cabin with a king sized sleeping area. Just forward on starboard is a hanging locker and then the aft marine head with a shower. Across from the head on port is the U-

shaped galley with excellent storage, separate freezer and refrigerator, propane stove/oven and deep well double sink. The main salon has a large oval table with seating all the way around (seating for six). On the starboard side of the main salon is the navigation station and extra cabinets and storage. Forward of the main salon is the private forward cabin with a double sized Pullman style bed on port and a settee, hanging locker and storage on starboard. The second marine head with shower is forward of this cabin. All the interior varnish was redone professionally by Beneteau in Oct, 2009. It is in perfect shape and looks like it is right out of the factory.

## Galley

- Alder Barbour 12 volt refrigerator with front opening door
- Alder Barbour 12 volt top opening freezer with holding plates
- A separate sump pump for the freezer for use when defrosting
