Hull Material: Epoxy Composite

Hull Configuration: Trimaran

Hull Color: Red & White

Hull Designer: Dick Newark

Engine Information

Engines: 1

Manufacturer: Yamaha

Model: 9.9 Outboard

Engine Type: Outboard

Fuel Type: Diesel

DETAILED INFORMATION

Yacht Introduction & Description

“People sail for fun and no one has yet convinced me that it's more fun to go slow than it is to go fast” Dick Newick. This boat is a perfect example of this philosophy and she boasts solid New Zealand construction along with all the kit to go out for a blast.

This Echo 36, built in 2002 by Blum Hard, Auckland is a safe, seagoing performance trimaran with Newick design priorities. High performance and fast this trimaran retains the ability to sail safely and comfortably, faster than winds up to about 14 knots and to achieve over 20 knots in ideal conditions with a minimum of effort. The primary reason to buy a Newick design is to SAIL! Moored in Pak Sha Wan, Sai Kung, viewing is encouraged.

Features & Equipment

General Information

- § Echo 36 designed by Dick Newark
- § Built in 2002 by Blum Hard, Auckland
- § Cedar and Epoxy construction with carbon reinforcement
- § 160 Litres water capacity
- § Weight 3 tons
