SPECIFICATIONS

Overview

The Hunter 386 is a very popular sloop rigged boat great for cruising or taking that fun filled daysail with friends and family. SEA EAGLE can sail easily while short handed as lines lead aft to cockpit including In Mast furling lines and jib sheets. Upgrades include new electronics in 2014, 400 watts of solar power w/MPPT controller, 44 lb Rocna and more. Hunter's walk thru transom makes boarding safe and easy while the hot 'n cold fresh water shower is convenient for washing off after a diving excursion or to refresh yourself after a long day in the sun. The cockpit is wide and inviting, includes stern rail seats and a fold out cockpit table to host sundowners.

Manufacturer Provided Description

The Hunter 386 is an evolutionary boat that comes from the finest of innovation and consumer input. Comfort, convenience and livability is what the 386 is all about. Abundant natural light streams in from the Hunter signature windshield as well as the many fixed and screened ports, not to mention the multiple overhead hatches which also provide a tremendous amount of fresh air. At anchor, or at the dock, the placement of the ports assures great ventilation, and reverse cycle air and heat are an optional choice. Entertaining or handling the family is easy with the enlarged salon complete with a convertible dinette and facing settee. Storage is plentiful as is electronic space at the integrated nav station. A Corian-covered, full-service galley comes complete right down to the dishware, and any chef will adore the side-by-side ice boxes and top-loading trash bin set each side of the double basin, stainless sink. The private forward stateroom on the Hunter 386 includes an en suite vanity with sink and storage, as well as plenty of hanging locker and drawer storage. Aft, the master stateroom has a large queen berth and more storage. Privacy is enhanced by the dual access head that offers a Corian-covered vanity, electric marine head, and shower stall all wrapped in a complete fiberglass shell for easy cleaning and maintenance. On deck, the cockpit is designed for the comfort of the skipper and crew. By bringing the coaming out to the gunnels, Hunter has increased the overall space to incredible proportions to include seating for eight. A custom console with folding table leaves is perfect for those al fresco meals.
