# DETAILED INFORMATION

---

## Owner's Remarks

---

It is with mixed feelings that I am selling as this boat is wonderful, she is in excellent condition, having been well maintained. The teak decks have been replaced with new super yacht teak decking in 2013. The generator was installed in 2012, there is a portable air-conditioning unit and the engines have been overhauled and re-fitted by a Volvo agent in 2016. The performance of the Windy is superb with great acceleration and handling, economical on fuel.

## Extras above Standard Configuration

---

- Sleipner 4 hp bow-thruster.
- Blue hull stripe.
- White vinyl cockpit cushions (Bianco white with blue piping).
- Teak laid decking in the cockpit and on the bathing platform..
- Refrigerated cockpit cool-box in lieu of cockpit gas locker.
- Raymarine C120 colour chartplotter.
- Raymarine autopilot.
- Raymarine ST60 Tridata.
- DSC VHF.
- VDO rudder angle display.
- Holding tank with 3-way valve.
- Wallas diesel-fired ceramic hob.
- Fischer Panda 4000S generator set (2012).
- Extra cup holders for cockpit.
- Helly Hansen tonneau cover.
- Brand new Helly Hansen Canopy (2016)
- Winch in tender garage with remote.

- Foredeck sunbathing cushions (Bianco white with blue piping).
- Removable navy blue Sunbrella covers for cockpit cushions.

## **Standard Configuration - Windy 42 Grand Bora - Volvo Penta D6-350 EVC duo prop**

### **Construction**

---

Windy are a product of traditional craftsmanship, enhanced with the aid of modern technology. The latest technological innovation is the Wintec hull concept, which gives improved performance, greater strength and reduced noise throughout the vessel. The hull is reinforced with advanced multi axial glass fibre matting and Divinycell. This allows a reduction in the boats weight of up to 20% whilst offering noticeably improved stability. All the Windy models are CE-labelled. This means that Windy meets all the requirements laid down for quality control documentation and product liability within the EU. In the process of obtaining approval, the company has also introduced new methodologies construction principles and more advanced construction production equipment, resulting in more cost-effective and quality oriented processes in-house. But above all, Windy is a “Boat Builder” and not a manufacturer of boats, a philosophy which characterizes their production staff and all those within their distribution network.

### **Engine Configuration**

---

- 2x Volvo Penta D6-350 EVC diesel engines to Duo Prop outdrive.
- Engine hours - 422 hours as of July 2016.
- Engines and outdrives completely overhauled Summer 2016 by Volvo Penta.
- Volvo Penta - DPR outdrive.
- Volvo Penta - EVC throttle controls.
- Power steering.
- Trim tabs.

### **Performance and Economy:**
