SPECIFICATIONS

Overview

This beautifully kept Mainship Pilot Express is ready for Her new home! Styled after the Trawlers of the Northeast, the Mainship was built with a steep plumb bow and gentle flare designed to cut gracefully through challenging head seas while the rounded forward sections of the hull soften the ride. Remaining true to her original Trawler design, there is a respectable amount of room for fishing! Designed to utilize the interior space efficiently, she still allows plenty of room for a well appointed galley, single head, and forward cabin. This one won't last long! Call today for your boarding appointment!
