SPECIFICATIONS

Overview

This is the die-hard fisherman's dream fishing boat. She has but one reason to exist: and that's to catch the kind of fish that win tournaments while getting you out there and back in faster and with more comfort than thought possible on a center console. This Contender is rigged to the max featuring triple Yamaha 350hp engines, a full Bausch tower, Garmin 8000 series electronics, a host of Contender upgrades and **engine warranty until October 8th 2019**. This Contender has been well cared for and her owners have purchased a larger fishing boat and want her sold. This contender has been maintained by CAY Marine and is the only brokered 39 Contender offered for sale with a tower. Don't miss out on this 2013 beauty!
